<p>YOU ARE HEREBY NOTIFIED AND ORDERED to keep the animal described on this report in a secure place at the location specified, or surrender to the animal control agency in your jurisdiction for a quarantine period of ____ days, as required by State, County, or City statutes. Your animal shall remain quarantined until released by the quarantining Animal Control Officer or designee. Do not remove the quarantined animal from the premises, allow animal to contact persons other than the immediate family, or allow the animal to contact other animals. Failure to comply with this order constitutes a violation of State, County, or City statutes. If the animal becomes ill, acts strangely, dies, or escapes during this quarantine, notify your animal control or law enforcement agency IMMEDIATELY by phone.</p> <p>Animals quarantined must be redeemed on the release available date. If the release date falls on a Sunday or holiday, the next available date for release will be the next business day. Failure to contact animal control prior to the available date, or failure to reclaim your animal on the available date may result in your animal being humanely destroyed.</p>
